

Mighty Production Design System

Product review packet

Source: /admin/design-system (admin-only showcase)

Branch: feat/production-design-system

Desktop capture ~1440px · Mobile capture ~390px

Opt-in foundation only — no customer page migration in this packet.

This PDF includes full desktop and mobile showcase captures (sliced for legibility), plus enlarged component sections with named states.

Desktop showcase (~1440px)

Design system showcase

Internal preview of production tokens and components. Opt-in foundation only
— existing customer pages are unchanged.

Trust Card

Nothing is connected yet.

Creating an account does not grant Gmail or Chrome access.

What Mighty will not do

Not send email as you. Not sign into providers as you.

If you continue

Mighty will start watching the accounts you confirm.

Permission Card

INFORMED CONSENT · BEFORE GOOGLE

Connect Gmail

Connect Gmail so Mighty can find loyalty and card accounts from your mail.

Why Gmail

To find loyalty and card accounts from known program senders.

What is accessed

Mail metadata used for discovery — not inbox management.

What is not accessed

Mighty does not send email or manage your inbox.

Desktop showcase (~1440px) (continued 3)

What happens next

After approval, Mighty scans and shows what it found for review.

Form Controls — validation

Helper text + aria-invalid error ("Use at least 8 characters."), checkbox, switch

A form with a light beige background and rounded corners. It contains the following elements: A section header "Form Controls" in bold black text. Below it, the label "Email" in a small black font, followed by a white text input field with a thin red border. Below the email field is a small grey helper text: "Used only to sign into Mighty." Below that is the label "Password" in a small black font, followed by a white text input field with a thin red border. Below the password field is a red error message: "Use at least 8 characters." Below the password field is a checkbox with the text "I agree to the Terms". At the bottom left is the text "Watch American Express". At the bottom right is a dark green toggle switch that is currently turned on.
